# GIOVANA MORAIS

## JUNIOR SOFTWARE DEVELOPER

@ giovana.vmorais@gmail.com  📞 +55 15 98141-2295  📍 Sorocaba, Brazil  🐦 @ohshitgi
github.com/giovana-morais

## EXPERIENCE

### Machine Learning Developer Assistant

**Stattus4**

📅 January 2018 – Now  📍 Sorocaba, Brazil

- Digital Signal Processing and Music Information Retrieval studying for Machine Learning applications
- Data Analysis
- Building different Machine Learning and Deep Learning models for audio classification, with distinct frameworks like Tensorflow and Keras
- Evaluation of developed models
- Developing Machine Learning classifiers to ESP32 boards with C language
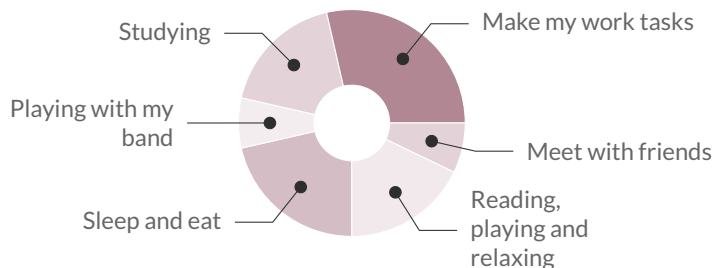

## STRENGTHS

Hard-working   Communication skills   Responsible

Time Management   Curious

## A DAY OF MY LIFE

Studying
Make my work tasks
Playing with my band
Meet with friends
Sleep and eat
Reading, playing and relaxing

## INTERESTS

- Technology
- Music
- Science
- Volunteering

## MY LIFE PHILOSOPHY

*"I have no special talent. I am only passionately curious." – Albert Einstein*

## PROGRAMMING LANGUAGES

**Python** ●●●●○○
**C** ●●●●●○
**Shell Script** ●●●○○

## LANGUAGES

**Portuguese** ●●●●●

**English** ●●●●○

**Spanish** ●○○○○

## OS

**Linux** ●●●●●

**Windows** ●●●●○

## EDUCATION

### Neural Networks and Deepl Learning

**Coursera**

📅 Aug 2019 – ongoing

### B.Sc. in Computer Science

**Universidade Federal de São Carlos**

📅 Jan 2014 – Aug 2019

### Automate the Boring Stuff with Python

**Udemy**

📅 2018
